Virtual IRC Meeting ICAR-CIAH, Bikaner

The virtual Institute Research Committee meeting was started today dated 13-07-2020 at 10.30 AM. The meeting was chaired by Prof. (Dr.) P. L. Saroj, Director, ICAR-CIAH, Bikaner. All scientists of the Bikaner and CIAH Regional Station, CHES, Vejalpur were attended the meeting. The meeting was inaugurated by Dr. B. K. Pandey, ADG (HS), ICAR, New Delhi. In his inaugural address he has suggested that the recommendations of RAC should be taken in to consideration while preparation of new project proposals. The Institute should highlight the research achievements at National and International level. The work on Post Harvest Management should be strengthened to reduce the post harvest losses. He has also emphasize on doubling income of farmer by 2022 through developing improved varieties and technologies.

Prof. P. L. Saroj, Director, ICAR-CIAH, Bikaner in his remarks, suggested that the work on organic farming, water productivity, exploitation of botanicals, utilization of date palm, mushroom cultivation, medicinal and aromatic plants etc should also be given emphasis in new project formulation. Besides, registration of unique germplasm, DNA finger printing, marker assisted breeding, biochemical profiling etc should be given priority in research agenda. The division wise presentation is going on and after completion of the IRC, a proceeding will be prepared and submitted to the Council. The major achievement of the 2019-20 will also be compiled.
